

Armoured Gate - Kit

This kit contains 10 detailed resin parts to make an Armoured Gate to add to your Wall sets/ Watch Towers/ Armoured Bunkers or Force Field kits. This is a modular kit which means you can purchase Extra-Gates (see the Quantum Library) to make the opening as large as you like! Each Gate-opening measures approximately 47mm (inside width) and comes with a fully working (Open/Close) Gate adding a sense of realism to your tactics during game-play. The outside edges measurements are approx. : Width 110mm/ Height 58mm/ Depth 54mm. Check out the following images for extra visual reference on this kit and its modularity elements.

Please Note: The toy soldiers displayed in the above photos are NOT in any way RC Studio property NOR copyright and it's shown only for proportional purposes.
