

Missile Launcher Catalyst - kit

The kit contains 11 detailed resin-cast parts. A 360 degree medium range ground based missile/rocket launcher. An excellent and effective addition to our armoured scenery constructs and a guaranteed tougher response against invading armoured foes! You're lucky to see the back of it! The launcher can be turned any direction all around and comes fit with three missiles/rockets. Game Play suggestions : At the beginning of a game determine and agree on effective range/damage per hit and choose - any time during battle - if to fire all three missiles at once taking one turn to reload or simply fire one missile per each turn.
